BILL #12

Legal Aid

Associated Student Government not only serves to represent the student body, but also should be service oriented for the students.

It would be most beneficial to students to be able to receive services rendered by A.S.G. that otherwise they could not afford.

It is felt that a much needed and important service for students would be type of Legal Aid.

Therefore, be it resolved that this body enact to provide a part-time free legal counsel service available to students.
